*Adventure of a Lifetime*

# SWIM WITH WILD DOLPHINS AUGUST 2-8, 2015

Rev. Dee Cooper is leading an adventure of a lifetime to swim with the wild dolphins in Bimini, Bahamas.

"Ourselves and other members of the WildQuest team have swum with dolphins the world over – and so far we all agree that, taking everything into account, the Bahamas is simply the best place we've found. Warm, clear, unpolluted aquamarine waters, joyful free dolphins, and those enchanted isles and deserted beaches – wouldn't you like to come and experience this unique opportunity for yourself?"

"It is our passion and joy to be able to make this experience available to like-hearted people, and to share the myriad wonders of nature that we find here with our friends."

– [www.wildquest.com](http://www.wildquest.com)

## AUGUST 2-8, 2015 SWIM WITH DOLPHINS

Have you ever wanted to swim with dolphins in the Wild?

Twenty of our own Montview family and Rev. Dr. Dee Cooper will fly into Fort Lauderdale and then to Bimini, Bahama to work with WildQuest. WildQuest is a company who has worked specifically and respectfully with dolphins and whales for over 20 years.

We will spend FIVE full days on a 41 foot catamaran sailing out to connect with the dolphins (if they choose to participate). There will be opportunities to experience their playfulness and delight in the ocean.

## ITINERARY

There will be THREE group gatherings prior to departure. Dates will be set that work with those traveling in the coming year to prepare as a group.
